SUSTAINABLE DEVELOPMENT POLICY

Summary of Policy

To reflect Barnet and Southgate College's commitment to promoting a sound awareness and understanding of local, national, global environmental issues and, through its own practices, to operate in such a way as to both conserve and improve the environment.

Date of creation:	February 2010
Date of last update: Next Update due:	September 2017 September 2019
Policy originator/Contact:	Property Risk Manager/Head of Accommodation Development
Line Management Responsibility:	Director of Finance & Corporate Operations
Approved by:	Executive Leadership Group 5 September 2017

Background and Purpose

Barnet and Southgate College (The College) is committed to responsible use of energy, water and other resources with the aim of minimising any negative impact on the environment.

The College is committed to a continual improvement in environmental performance including the economy, society and the natural environment and to achieve best practice benchmark standards for FE Colleges wherever practicable.

The college is committed to meet all relevant legal requirements.

Scope

This policy applies to all staff, learners, partners and sub-contractors as well as the wider community. This policy will form part of a broader campaign to promote awareness and understanding of environmental issues and how the College can support them.

Objectives

In order to fulfil these commitments, the College will provide senior level agreement and cost effective resources for environmental improvement and long term sustainability to reach the following objectives:

1. On-going implementation of a formal environmental management system and controls in accordance with the International Environmental Management System standard ISO14004;
2. Reducing the use of natural resources and the emission of carbon dioxide;
3. Minimising waste production and reducing the environmental consequences of waste through re-use and recycling;
4. Avoiding or limiting, wherever practical, the use of environmental damaging substances, materials and processes;

5. Preventing pollution, where possible, and reducing pollution through the responsible management of toxic, chemical and hazardous waste;
6. Minimising any adverse environmental impact of new development;
7. Recognising the benefit of green spaces and working to enhance the ecological value of the estate;
8. Communicating with Barnet and Southgate College and to the outside community on environmental performance and best practice;
9. Being aware of economic and social changes and to provide support for jobs, skills and social inclusion in a way that addresses local strategic needs.
10. The College, its partners and sub-contractors will use a registered waste collector to ensure that waste is disposed in accordance with regulatory requirements.
11. The College, its partners and sub-contractors will observe and comply with the Waste Electrical and Electronic Equipment (WEEE) regulations.

Responsibilities

The Director of Finance & Corporate Operations is responsible for ensuring compliance, supported by the Head of Accommodation Development and College departments delivering Work Based Learning and European Social Fund contracts.

Review

This policy will be reviewed every two years by the Director of Finance & Corporate Operations.

Impact Assessment

Who will benefit from the policy?

All staff, learners, partners, sub-contractors and visitors to the College will benefit from the proposals detailed in the policy. The wider community will benefit in terms of the College and the College community reducing its environmental impact.

Is it likely that the policy could have a positive or negative impact on any group or individuals?

The College will ensure that all staff, learners, partners, sub-contractors and visitors are aware of the Environmental Sustainability Policy so they can make their own informed decisions from the information provided. All staff, learners, partners and sub-contractors will have access to the same activities organised through the Policy and will have access to the same information.

Steven Forster
